

FI 1129 – SHORT SALES – THE RESULT OF FORECLOSURE

Short Sales are the direct result of real estate foreclosures. Currently the real estate industry is overwhelmed with the question; “What is a Short Sale and how do I service clients who have no equity in their homes or money to bring to a closing?” This course is for real estate agents, brokers, investors, industry professionals and homeowners who want to know how to prepare a short sale package and the timeline needed to get everything accomplished.
